1.2 OBJECTIVE OF RFP

The objective of this REP is to offer experienced custodial cleaning companies the opportunity to present a thoroughly detailed Proposal of their expertise and qualifications to the School District. The Proposal will detail the Proposer's experience and expertise in assisting school districts of similar size and scope as Ecorse Public Schools with their Custodial Services outsourcing process.

This Proposal specifically requests that all Proposers present their qualifications and experience in Custodial Services management (please see Proposal Requirements and Proposal Format).

The School District will select the Proposal, if any, that it deems most qualified to serve the best interests of the School District, in its sole discretion. The Contract will be awarded, if at all, to the lowest responsible Contractor who provides the best value, while meeting specifications as determined by the Board of Education. Proposals should be submitted on the premise that Ecorse Public Schools intends to contract as a single unit, and that the Proposal must be acceptable to the Board. Acceptance of a Proposal by Ecorse Public Schools does not constitute a Contract. The final Contract document will be subject to negotiation and the Board will approve execution of a Contract. While the financial responsibility of the contractor is a significant concern, the Board is equally concerned with the proven ability of the Contractor to satisfactorily perform the Contract so that the services will be provided in accordance with the proposed Contract. Refer to proposed Contract, Appendix E

Ecorse Public Schools expects the Contractor to continuously use its expertise in order to streamline operations and costs while maintaining service levels, complying with Board policy and safety guidelines. Periodically, Ecorse Public Schools will request the Contractor to identify and implement operational efficiencies that will lead to cost reductions in custodial services as cost reductions are pursued in other Ecorse Public Schools services. Savings will accrue to Ecorse Public Schools in accordance with a decrease in custodial staffing. All Proposers are required at a minimum to submit a base bid.

The RFP will be based on the premise that the proposer shall provide all equipment necessary. The Contractor shall be required to provide repairs as necessary to the new equipment. The Contractor shall be liable for any misuse or injury caused by the operation of the equipment. If the Contractor wishes to purchase equipment, the Contractor may do so at their own expense. The Contractor will maintain ownership of such equipment. For purposes of this Proposal, equipment shall mean items that have a life expectancy of more than one year, have a model and serial number and would normally be a depreciable item. For example, vacuum cleaners, floor scrubbers, etc. The Contractor will be given access to Ecorse Public Schools' small hand tools. Small hand tools are such things like pliers, drills, hammers, etc. The Contractor will be required to replace any such hand tools due to loss or theft by Contractor employees or by misuse.

The successful Contractor will be allowed to use Ecorse Public Schools existing inventory of consumable supplies, which will be at no initial cost. Once consumable supplies have been exhausted, it shall be the Contractors responsibility to purchase all supplies required to maintain cleanliness standards. These will be included in the base bid. The Contractor must keep track of all supplies consumed by each Facility and have an order process system that will provide the Ecorse Public Schools a monthly report on each Facility's consumption. The report must detail quantity, product name, and cost. The Contractor will be required to keep an adequate inventory of supplies at each building.

During this time, the Contractor will be required to staff the facilities so as to allow for proper cleaning, accommodate after-school activities, clean after events, accept deliveries, do setups and teardowns, grounds work in courtyards, flower beds, and alongside the facility (including but not limited to mowing and snow removal/salting), furniture and equipment moves, daily pickup of trash on the premises, cleaning the swimming pool deck and locker rooms, annual gym floor refinishing, along with accommodating Ecorse Public Schools' staff requests. At a minimum the Contractor will staff during the hours listed at each facility. Facilities will remain open on the weekends relevant to district use.

The Contractor should be aware there are many activities that occur after school, weekends and during the summer months. The number and type of events varies. The Contractors shall invoice at the commensurable rate all work necessary to provide time for set-up, clean-up, and tear down for such activities/events. During the summer, the contractor will be required to perform daily cleaning duties at the used facilities as well as those noted for summer work.

There is also a considerable amount of work that will occur during the weekends. The Contractor will be required to staff these weekends and the staff costs will be billed at cost. The number of hours needed for any weekend activity will be determined as per the Contractors review of the Ecorse Public Schools School-Dude system and with approval of the Ecorse Public Schools Superintendent (or designee), with appropriate notice given to the Contractor. There shall be no overtime paid for weekend work or that required to fulfill the normal cleaning responsibilities of the Contractor unless an emergency situation exists.

1.3 PURPOSE

The purpose of this RFP is to possibly establish a contractual relationship with an experienced and qualified Firm to provide Custodial Services to the School District in the most efficient and cost-effective manner possible while, at the same time, maintaining quality of service, safety and reliability. The School District may select one or more experienced and qualified Firms to proceed with the negotiation process from those submitting Proposals. The process will include the review and evaluation of methods and procedures used to provide Custodial Services within the scope of this RFP. Past experience will also be judged by the references of each Proposer. A major portion of the negotiations will include the financial terms of the Contract.

1.4 TERM OF CONTRACT

It is the intent of the School District to award a contract to one or more Contractor(s) for Custodial Services for all School District Facilities. The Contract is expected to begin on July 1, 2017 for a period of three 3 years, with an option for the School District to extend the Contract on a year-to-year basis subject to approval by the School District's Board of Education, in its sole and absolute discretion. Nothing requires the School District to agree to extend the Custodial Services Contract beyond the initial three (3) year term. As specified elsewhere in this RFP, the Contractor is required to provide a three (3) year price guarantee.

If the Contractor seeks to have the Contract extended beyond the initial term, the Contractor must provide the upcoming fiscal year's fee schedule at least one hundred twenty (120) days before the Contract anniversary date.

The Contract is for 12-months-per-year and requires Custodial Services to be performed during school breaks and during the summer.

1.5 SCOPE OF SERVICES

The Contractor shall provide:

- 1.5.1 Custodial Services for a three (3) year Contract term, which may be renewed for up to a total of three (3) additional years' upon the successful annual review of performance at the sole discretion of the Ecorse Public Schools Board of Education.
- 1.5.2 Custodial Services provided shall include cleaning services, minor maintenance, minor grounds work (including but not limited to mowing and snow removal/salting) and other daily tasks.
- 1.5.3 Except as provided in Section 1.7 below Custodial Services shall include providing all labor, materials, taxes, permits, equipment repairs, licenses, management and clerical support necessary to clean the Facilities as specified in this RFP and in the Contract. **All cleaning should be based on daily (5 days a week) cleaning. Alternates to this schedule can be bid if stated as a bid alternate.**
- 1.5.4 The Contractor will clean, provide setups and takedowns as detailed on School-Dude for every Facility on a nightly basis and perform summer cleaning as noted.
- 1.5.5 The Contractor shall also provide effective communication with Ecorse Public Schools and staff where applicable. The Facility that the custodians will be working at, as well as the hours and names of the custodians will be provided to Ecorse Public Schools.
- 1.5.6 The Contractor will provide minor maintenance typically performed with small hand tools in addition to routine cleaning services. Examples of routine minor maintenance is small scale painting, normal light bulb replacement, 5 year bulb replacement plan, repair of toilet blockages, locker repairs, combinations changes, changing of ceiling tiles, etc. In these cases the Contractor will provide the required supplies and materials. The Contractor will provide energy efficient light bulbs as approved by the Director of Facilities.

1.5.7 The Contractor shall base cost projections on performing a full cleaning service. This service shall be as per all specifications of the RFP. The Contractor shall read and review the following Appendixes as provided in order to assist in formulating their Proposal. - Pants/skirts are required, and should also be the same (or coordinating) color and style for all employees.
- Knee length shorts may be permitted ONLY during summer break period
- Tee-shirts are not considered acceptable by the School District

In addition to uniforms, all contractor personnel are also required to wear a Contractor-issued ID and school district supplied badge, approved by the Ecorse Public Schools. The ID badge is to be clearly visible, while performing work at the Ecorse Public Schools. ID badges are to be worn above the waist.

The Contractor will be responsible for furniture setup and take-down (when appropriate) for extracurricular activity needs, sporting events, or rental Contracts that occur at any Ecorse Public Schools facility during the normal week. These events are numerous and may occur after school hours. These functions are part of the base Contract.

All 3.9s that are identified as "Permit required" such as asbestos removal - Confined Space, by a sign or tag, require proper entrance in accordance with the Ecorse Public Schools confined space entry program. Entry into these areas is permitted only by persons who meet the following requirements:

- Completed confined space training
- Comply with any applicable requirements for confined space permits
- Wear required personal protection equipment

Periodic special events will require the Contractor to modify the cleaning schedule to accomplish set up and breakdown of those special events (parent teacher conferences, ice cream socials, a play in the auditorium, home football game, etc.).

The Contractor may choose to schedule support clean up on the day after the event if the delaying of the cleanup does not detract or interfere with the overall look or environment of the school Facility or other scheduled activity.

Scheduled use of the Facilities on the weekends will routinely occur. This is relatively common for Ecorse Public Schools. The Contractor will be responsible to open and prepare the Facility for scheduled use on a Saturday or Sunday and may include the concession Facilities and athletic fields at the high school. The Contractor will sometimes be required to provide extra or special coverage on Saturdays and/or Sundays with very short notice. These scheduled events may be related to Ecorse Public Schools rental Contracts or administrative and staff needs.

The School District would entertain creative staff schedules to include Saturday and Sunday hours at all locations in order to staff the events without the use of overtime.

The Contracted custodians are to be scheduled in such a way that:

1. In the Elementary Schools, any space, used for an after-school activity, will be cleaned after the end of that activity, provided the activity ends by 9:00 p.m. This is in addition to making sure the rest of the school is clean and available for the next day.
2. In the Middle School and the High School, any space, used for an after-school activity, will be cleaned after the end of that activity, provided it ends by 11:00 p.m.
3. Spaces that are to be used for after-school activities are cleaned and set-up at the scheduled times, and efforts are made to ensure that the routine cleaning of the remainder of the facility does not interfere with the scheduled activity.

The Ecorse Public Schools reserves the right to change any and all of the work schedules and to notify the Contractor of such changes.

The Contractor will notify the Ecorse Public Schools immediately of conditions, which will limit hours or decrease the daily work crews, such as illness or injury. In addition, the Contractor will notify the Ecorse Public Schools designee in advance of any condition or situation, which will affect the performance of the work under this Contract. In either case, the Contractor will communicate how the affected work will be rescheduled.

The Ecorse Public Schools normally has two custodial work schedules, one for during-school periods, and one for break periods (i.e., winter break, mid-winter break, spring break, and summer vacation). During break periods, including the summer (mid-June to Labor Day

Weekend), the Ecorse Public Schools designee and the Contractor will jointly agree upon an appropriate schedule of cleaning and other activities and may permit or require the Contractor's employees to work the time that it takes to cover the building. In any event, activities particularly in the High School may require staffing later than 6:00 p.m. during break periods and since a number of Facilities have summer activities, the Contractor must schedule summer cleaning around these activities. During the summer months, the Contractor will be required to adequately staff to finish all summer cleaning tasks two weeks prior to the start of school. At a minimum the Contractor must staff each Facility so the hours of operation are consistent with the existing hours as well as staffing to provide the services needed.

During times of construction, the Ecorse Public Schools designee may reassign the custodial work normally performed in these areas.

The Contractor is responsible for the security of the Facility during the cleaning operation. If any of the Contractor's employees are scheduled to open or close the facility, then that employee should have knowledge where breakers, alarm panels for resetting fire alarms are, lighting controls and equipment is. It is incumbent on the Contractor to secure the facility at the end of each shift (secure all doors, turn off all but designated lights, turn off ceiling fans, and close all windows). Office, classroom, and other doors are to be unlocked or opened only during the time that cleaning is actually being done and all are to be relocked as soon as the service has been completed. For the safety of students and the public at large, storage and custodial closet doors are to be kept shut and locked when not present.

Exterior doors are to be unlocked and locked at the times specified by the Ecorse Public Schools designee. If the Contractor fails to properly secure any Facility, a non-compliance penalty as provided in the "Deductions and Penalties" section of this RFP will be applied and will be deducted from the next month's payment. The Contractor is required to have someone who will be available to answer emergency calls, and to send someone to secure a Facility. The cost of the emergency response for these calls and actions will be at the Contractor's expense.

Some of the Contractor's most important customers will be the Facility principals. To ensure customer satisfaction, the Contractor's employees will be required to maintain regular, open communication with the individuals.

Communication is critical when maintaining multiple school campuses. If the need arises for the Ecorse Public Schools designee to contact one of the Contractor's employees, there must also be a system in place to accomplish this task. Therefore, the School District will require a cell phone system, a radio system, or other acceptable communication system to be in place to contact personnel at all School District facilities.

The Contractor agrees to respond to any emergency requests, including but not limited to, water pick-ups and/or mop-ups made necessary by rain, plumbing failure, leaks, or accidents; 24 hours per day, 7 days per week, 365 days per year. Hourly pricing for this after-hours, emergency service will be requested as per the Proposal format.

Any additional services of this nature must be pre-approved by the Ecorse Public Schools designee. Any invoice for this type of service must include the school, date, area(s) affected, scope of work performed, hours expended by Contract personnel, and name of person authorizing the work.

Every effort will be made to conserve energy whenever possible throughout the cleaning schedule. Only areas in use will have lights on and doors and windows will remain closed whenever the heating or cooling systems are operating. There shall be no overriding of the heating or cooling units except for needs of after school activities. During the summer months the Facilities will not be air conditioned except areas used for breaks or when in need to extract carpet. The Contractor, in coordination with the Ecorse Public Schools designee will review utility use on a monthly basis to make sure the Ecorse Public Schools policies are being followed. This amount will be used as a baseline to determine if Ecorse Public Schools policies on energy are being followed at each facility and during each shift, there shall be at least one person who will be able to be trained on the proper use of a computerized energy management system so they may override certain controls.

The Contractor will ensure that any substances defined as hazardous by state or federal law will be properly labeled, delivered, and used in a way that does not violate with state or federal laws.

3.16.2 Copying of Keys: At no time will copies be made of any keys issued. If additional copies are needed, the Contractor must obtain keys from the Superintendent's designee.

3.16.3 Key Replacement: There will be a \$50.00 charge for the replacement of any lost or stolen key or fob and a \$25.00 charge to re-issue entrance keys to a new Contract manager/supervisor.

3.16.4 Key and Cards Inventory: The Ecorse Public Schools reserves the right to inventory the Contractor's keys at any time.

3.16.5 Lost Keys: All lost Facility keys assigned to the Contractor or to any of the Contractor's employees (whether interior or exterior keys) must be reported via the Ecorse Public Schools work order system, to the Ecorse Public Schools designee immediately upon discovery of the loss.

3.16.6 Re-keying of Locks: If the Ecorse Public Schools deems it necessary to re-key any locks due to inadequate key control/management by the Contractor, the cost will be deducted from the monthly payment.

3.16.7 Security of Keys: The Contractor is prohibited from lending Ecorse Public Schools Facility keys to anyone. The Contractor and its employees are also prohibited from leaving key and rings in janitor closets or from lying on custodial carts, or otherwise out of their possession. Each instance of Ecorse Public Schools-observed noncompliance will result in a non-compliance penalty of \$50.

3.16.8 Termination of Contract: All keys assigned to a Contractor's employee will be returned to the Ecorse Public Schools designee when his/her services in the assigned school end. All keys will be returned to the Ecorse Public Schools designee at the termination of this Contract.

3.16.9 Trading of Keys: Keys will not be traded between employees nor forwarded to new employees; instead, the keys must be returned to the Ecorse Public Schools to be re-issued.

3.16.10 Snow and Ice Management: The Contractor will be responsible for clearing snow and ice, and for distributing ice-melt around doorway entrances and on all sidewalks on all School District Facilities.

When snow continues to fall after the snow removal crew has plowed, Contractor may be required to clear sidewalks leading to the Facility entrances as needed to assure maximum safety for Facility users.

3.17 PROPERTY DAMAGE AND PROTECTION

The Contractor will be responsible for reporting and paying for any damages to any of the Ecorse Public Schools Facilities, equipment, and/or contents caused by the Contractor's employees. The Contractor will report, in writing, any damage that occurs.

The Contractor will inform the applicable principal (or in his/her absence, the Ecorse Public Schools designee) of any vandalism, evidence of attempts to force entry, and all other damages to any Facilities.

In addition, the Contractor will report, in writing, any items that they did not damage but that require maintenance or repair. All repairs to the Ecorse Public Schools facilities will be made or facilitated by the Ecorse Public Schools then reimbursed by the Contractor if appropriate.

The Contractor will continuously maintain adequate protection of all work covered by the Contract from damage or loss and will protect the property from injury or loss arising in connection with this Contract, and will make good any such damage, injury or loss.

The Contractor is responsible for the conduct of its personnel. The Contractor will cooperate fully with the Ecorse Public Schools and with any Law Enforcement authorities in the investigation of any unlawful activities suspected of the Contractor's employees while working on the Ecorse Public Schools sites.

If personnel employed by the Contractor are found to have committed theft or other unlawful activities on any of the Ecorse Public Schools sites, the Contractor will be responsible to the Ecorse Public Schools for restitution which will include, but not be limited to, all actual losses, damages, costs of investigation, and costs of prosecution.

3.18 QUALITY CONTROL/INSPECTIONS

The Contractor's supervisor/project manager, the Ecorse Public Schools Designee and other personnel as deemed appropriate by the Ecorse Public Schools Designee will perform quarterly inspections of each school (1) to ensure tasks are completed, (2) to ensure that the quality of work is satisfactory, and (3) to ensure the Contractor's compliance with other terms of the Contract. The Contractor will maintain historic inspections of each area and areas the employee is responsible for. The Contract supervisor(s) will use printed forms mutually agreed upon between the Ecorse Public Schools and the Contractor. Upon completion of each inspection, the Contractor will provide a copy of the inspection form to the Ecorse Public Schools administrator(s) present during the inspection before leaving the school.

An inspection of all Facilities will be conducted prior to the start of school each school year by a team of Ecorse Public Schools personnel. An inspection may also be conducted in conjunction with the School District's insurance carrier during the course of the year. This requirement is not intended to limit the Contractor's responsibility to inspect or control its own work, nor does it limit the Ecorse Public Schools right to inspect any Facility at any time.

Failure to complete any required inspections (and failure to re-schedule and complete the inspection within three business days) will result in the issuance of a non-inspection penalty as provided for in the "Penalties" section of this RFP.

The Ecorse Public Schools Superintendent, the Ecorse Public Schools designee, and the Principals may also periodically inspect the schools and will report any deficiencies and all unsatisfactory performance to the Contractor.

The Contractor will be granted a reasonable time to correct the deficiencies. Where it is necessary, in the Ecorse Public Schools designee's opinion, to correct unsatisfactory performance to conduct school activities in a clean and safe environment, all costs incurred by the Ecorse Public Schools to correct the deficiencies will be deducted from the monthly payment to the Contractor.

The duties of the Project manager shall not be performed by productive hourly employees, nor shall the project manager perform cleaning duties except in the case of an emergency.

3.18.1 Asbestos:

Like many older schools, the School District's Facilities include some asbestos containing building materials. Some of the most common location include old floor tile, old HVAC pipe wrap, some old ceiling tile, and some old glue holding chalkboards to classroom walls.

Each Facility has, and the School District's designee has, a copy of the School District's asbestos management plan for each school. These are available for public inspection.

All of the Contractor's employees assigned to the School District should familiarize themselves with the various sources of asbestos in the Facilities to which they are assigned. Some of the asbestos management restrictions are as follows:

- Do not remove or otherwise disturb asbestos wrapped pipes
- Do not grind or remove asbestos containing floor tile
- Do not disturb asbestos containing ceiling tile
- Do not remove chalkboards without the School District's designee's pre-approval, for some of these have asbestos glue
- Do not disturb any other asbestos

3.19 ECORSE PUBLIC SCHOOLS RIGHTS AND RESPONSIBILITIES

3.19.1 Discipline: The Contractor shall report to the Ecorse Public Schools any incidents of misconduct of the custodian and any corrective action taken. Every custodian shall at all times adhere to the Ecorse Public Schools' established policies and the Ecorse Public Schools' Regulations and Policies as stated in the Ecorse Public Schools Code of Conduct Handbook.

3.19.2 Authority to Remove Equipment from Service: At the request of the Ecorse Public Schools, the Contractor shall remove immediately from Ecorse Public Schools service any and all District or Contractor custodial equipment that is determined unfit for service by the Ecorse Public Schools. The Ecorse Public Schools will provide specific reasons for such requests to remove equipment from service.

3.19.3 Authority to Approve, to reject, and to Require Removal of Custodians from Ecorse Public Schools Service: The Ecorse Public Schools reserves the right to approve or reject for Ecorse Public Schools service under this Contract any and all proposed custodians who may be providing custodial services at any time during the duration of this Contract. Further, at the request of the Ecorse Public Schools, the Contractor shall immediately remove from service to the Ecorse Public Schools, any or all custodians, whether permanent, substitute or temporary.

3.19.4 Deductions for Temporary School Closures: If one or more Facilities are closed for more than three consecutive work days for "acts of God", Facility renovations, and/or a problem with the Facility, the Ecorse Public Schools designee may request that cleaning services be temporarily suspended in the applicable Facility(s). If this occurs, the Ecorse Public Schools bill for that month will be reduced by 1/20th for each day of work that cleaning services are cancelled in the applicable school(s). If any such service reductions can be reasonably anticipated by the Ecorse Public Schools, the Ecorse Public Schools designee will provide as much lead time to the Contractor as possible.

3.19.6 Non-inspection: Failure to complete any required inspections, as specified in the "Quality Control/Inspections" as per Section 3.13 of this RFP and failure to re-schedule and complete the inspection within three business days will result in the issuance of a non-inspection penalty of \$100 per instance.

3.19.7 Unfilled Employee Absences: Whenever any custodians are absent from part or all of their Ecorse Public Schools assignment and a substitute is not provided by the Contractor, the Contractor must deduct the following amount from the next invoice:

For each unfilled eight hour shift — a \$200 penalty per instance will be assessed. This penalty is intended to reflect the Contractor's labor savings by not providing eight hours of labor and to provide an "assured staffing" incentive. Any portion of an eight hour shift not covered by a Contractor substitute will be assessed a prorated penalty based on \$200 per eight hour shift.

3.19.8 Services Provided By Ecorse Public Schools: The Ecorse Public Schools is responsible for and shall provide the following:

- Yearly Calendar
- Hours of Operation
- Necessary Space and computer equipment for staff
- Emergency Procedures
- Student Handbook and Ecorse Public Schools Policies and Regulations
- Other items mutually agreeable to the Ecorse Public Schools and the Contractor

3.20 EMPLOYEE COMPENSATION

Contractors shall provide hourly pay rates (or pay rate ranges) and a list of benefits offered to all employees that would be placed to work in the School District.

3.21 EMPLOYEE EXPECTATIONS

All of Contractor's employees are to present themselves in an appropriate manner and attire consistent with the School District's Board policies and the School District's administrative guidelines. The School District reserves the right to seek removal of any employee of the Contractor whose moral conduct, behavior, health habits or appearance are unsatisfactory. Such employee will be removed as soon as possible upon being brought to the Contractor's attention. The School District's decision shall be final. The School District agrees not to use this right arbitrarily or capriciously.

All of the Contractor's employees assigned to the School District must meet the following requirements:

They must be...

- Able to read, write, and speak English fluently, and to use courteous language
- Able to inspect, see, and report maintenance needs to the Contractor's supervisor/project manager and/or the District's designee
- Able to interact positively and appropriately with students, school employees, and the public
- Able to productively work with minimal supervision
- Able to handle special duties or situations as they arise
- Competent persons who are well trained in the area of work assigned
- Cooperative with School District staff and with other Contractors' employees
- Alcohol-and drug-free when arriving for and while on duty. Contractor's employees are prohibited from the manufacturing of, being in possession of; using, distributing, or dispensing of any controlled substance, including alcohol, while on School District property
- Punctual
- Well-groomed and in uniform
- Able to lift 50 pounds at one time

Contractor shall maintain attendance records which indicate "log" in at the beginning of their shift and "log" out at the end of their shift each day in a designated location. This requirement is to enable School District staff to determine which of the Contractor's staff is in each Facility at any given time. This requirement shall not apply to the supervisor/project manager who is performing inspections and/or moving from building to building.

At no time shall the Contractor's personnel do any of the following:

- Allow custodial closets to stand open and unattended
- Congregate or have food/drink in unauthorized areas
- Copy, distribute or loan any key to School District Facilities
- Disturb papers on desks, open drawers or cabinets, use or tamper with personal property owned by the School District employees
- Leave custodial products and/or equipment unattended
- Leave custodial carts unattended in corridors for more than a few minutes (for safety, security, and aesthetic reasons)
- Leave lights on or doors open in unattended sections
- Play radios, or other similar devices, at a volume that is audible in other areas of the building
- Use any School District equipment (i.e.: telephones, computers, copiers, TV's) that is not required to perform duties as detailed in this RFP or Contract
- Smoke or use any tobacco products on School District property
- Use or remove any School District owned equipment or supplies outside of Ecorse Public Schools owned facility

No visitors, spouses or children of the Contractor's employees will be allowed at the work site during working hours unless they are bona fide employees of the Contractor or they receive prior approval from the School District's designee.

3.22 EMPLOYEE PERSONNEL FILES

The Contractor awarded the Contract will be required to provide the School District with a copy of the employees' files for all of the Contractor's regular employees assigned to the School District. This requirement is primarily intended to ensure that all required employee background checks have been completed, and to provide results of training and drug testing.

Some examples of required documents are as follows:

- Application
- Drug screening results
- I-9 form along with a copy of the employee's driver's license and Social Security Card
- Results of FBI and State police record checks
- Proof of initial and follow-up training

As in the case with the Schools Districts' own employee personnel files, this information will be held in the strictest confidence.

3.23 EMPLOYEE SELECTION

All of Contractor's employees will be required to have a criminal background check prior to working on at any Facility of the School District. The School District's designee will be the final authority as to whether such employee may provide services to the School District based upon the results of such background check. The School District reserves the right to interview all custodial candidates before placement in our Facilities.

The Contractor shall, at a minimum, perform the following pre-employment screening procedures before recommending the placement of all regular and substitute employees in School District Facilities:

- Employee background and reference checks
- Drug and Alcohol testing as approved by the School District
- FBI and State Police record checks – Any felony convictions will disqualify personnel from placement in the District

All applicants being considered for employment must meet the criteria set forth by the United States Department of Immigration and Naturalization.

3.24 ABSENTEEISM

Employee absenteeism can significantly and adversely affect the quality of services received by the School District. The Contractor must maintain a pool of trained and qualified substitutes with the required background checks, available at short notice, to ensure that the School District is adequately staff in the event of illness or injury. It is expected the Contractor will always operate with a full complement of staff. Days that are not fully staffed.

The Contractor's invoice will be deducted by the contract hourly rate as well as a charge for the liquidated damage cost. The Contractor must also keep track of its absenteeism rate, upon request; this data must be provided to Ecorse Public Schools. The approximate hours needed are listed as Appendix C and the invoice will be based on the hourly substitute rate. This total shall be included in the base bid. If Ecorse Public Schools' need surpasses those listed, then the Ecorse Public Schools does not utilize the hours as bid, Ecorse Public Schools will receive credit for those hours multiplied by the hourly rate.

The Contractor is required to inform the building principal and the District's designee when there will be a change of employees for absence purposes. If the absence is expected to last more than three (3) consecutive work days, the Contractor is also required to inform the School District's designee.

If the Contractor's supervisor/project manager is unavailable under the Contract for any substantial period of time (i.e., more than three consecutive work days), the Contractor shall immediately inform the School District's designee of the absence, the reason for the absence, and how the Contractor will ensure completion of the supervisor's/project manager's work.

The School District reserves the right to audit payroll records and/or time cards of the Contractor and its employees.

3.25 SEXUAL HARASSMENT

The School District is committed to providing a positive environment for all students and staff. Sexual harassment, whether intentional or not, undermines the quality of this educational and working climate. The School District has a legal and ethical responsibility to ensure that all students and staff can learn and work in an environment free of sexual harassment.

Consistent with state and federal laws, this right to freedom from sexual harassment has been defined in School District policy by the Board of Education. Failure to comply with this policy could result in termination of the Contract without advanced notice. Further information regarding this policy is available.

3.26 SMOKING

The School District prohibits the use of tobacco in school buildings or on school grounds. This prohibition applies to all contractors and workers on school grounds and to all forms of tobacco products. The Contractor shall be responsible for the implementation and enforcement of this requirement.

CUSTODIAL SERVICES CONTRACT

CUSTODIAL SERVICES CONTRACT

THIS CUSTODIAL SERVICES CONTRACT, (the “Contract”) entered into this first day of July, 2017 (the “Effective Date”) by and between **Ecorse Public Schools**, a Michigan general powers school district, whose address is 27225 W. Outer Drive, Ecorse, MI 48229 (hereinafter “EPS”) and _____, a full-service building and property maintenance company, whose address is _____ (hereafter the “Contractor”) (collectively the “Parties”).

RECITALS

A. The EPS issued a Request For Proposals for Custodial Services dated May 8, 2017 (the “RFP”), the purpose of which was to solicit proposals from qualified contractors with the ability to deliver a Turnkey Solution for custodial services, minor maintenance services, minor grounds work, supplies and other services requested by EPS (the “Custodial Services”).

B. The Contractor submitted to EPS a Proposal to the RFP dated _____, 2017 (the “Proposal”), and a Finalized Pricing letter and Schedule 4, dated _____, 2017, to provide all Custodial Services contemplated by the RFP.

C. Pursuant to the terms of the RFP, the Contractor shall be required to enter into a written contract with EPS following written acceptance of the Proposal by EPS.

D. The Parties agree that certain terms and provisions of the RFP and the Proposal must be further clarified and that certain additional terms and conditions need to be expressly set forth by way of this Contract.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants set forth herein, the Parties agree as follows:

1. RESTATEMENT CONSTITUTES THE CONTRACT

(a) Incorporation By Reference

The object of this Contract is to formalize in one document the complete agreement between the Parties, and to do so by specifically incorporating by reference into this Contract, the RFP, Addenda to the RFP, if any, the Proposal and other related documents, and by including certain additional necessary or appropriate Contract terms, particularly where the Contract terms agreed to by the Parties during the RFP negotiation process do not correspond with the RFP.

(b) Order of Precedence

The Contract Documents, which all are incorporated herein by reference, include the following:

- i. This Contract;
- ii. Exhibit A to this Contract – the RFP and Addenda (if any); and
- iii. Exhibit B to this Contract – Contractor’s Proposal Cost Sheet; and
- iv. Exhibit C Inventory of District Owned Equipment

To the extent that the terms and conditions of the Contract Documents are in conflict, the terms and conditions shall be interpreted in the above-referenced order from (i) to (iv). However, the Parties also agree that where there is not a conflict between any of the terms and conditions contained in the above-referenced Contract Documents, all of the Contract Documents shall be binding upon both parties.

2. TERM AND TERMINATION

The term of this Contract shall be for a period of three years, commencing July 1, 2017 (the "Initial Term"). EPS shall have the option to extend this Contract by up to three (3) additional years on a year-to-year basis, subject to the written approval of EPS's Board of Education, in its sole discretion (each a "Renewal Term"). Nothing in this Contract requires EPS to exercise its option for a Renewal Term and Contractor has no expectation of a contract beyond the Initial Term, or a Renewal Term if any are exercised. One Hundred and Twenty (120) days prior to the end of the Initial Term, or any Renewal Term, Contractor shall provide EPS in writing with a detailed fee schedule for the next fiscal year and EPS shall notify the Contractor within sixty (60) days of its receipt of Contractor's detailed fee schedule for the next fiscal year as to whether EPS will exercise any option for a Renewal Term. This Contract may be terminated in accordance with the provisions of the RFP.

3. INVOICING AND PAYMENT TERMS

(a) Invoices

Contractor shall invoice EPS in equal installments on a once-per-month basis for all Custodial Services rendered under the Contract Documents. Invoices shall itemize charges for labor, equipment and supplies for each Facility. Invoices shall be submitted to Accounts Payable, Ecorse Public Schools, 27225 W. Outer Drive, Ecorse, MI 48229.

(b) Additional Charges.

Any services outside the scope of the Custodial Services ("Additional Services") must receive prior written approval from EPS's Superintendent before rendering or invoicing for such Additional Services. Invoices for approved Additional Services shall include the date and times the Additional Services were completed, the name of the Facility, the type of Additional Services performed and the number of hours worked. Invoices for Additional Services shall be separate from the regular monthly invoice but shall be sent to EPS together with the regular monthly invoice. Charges for these Additional Services shall be in accordance with Exhibit B.

(c) Payments

Payment of undisputed amounts in each invoice shall be made within 30 days of receipt of the invoice. EPS will issue one payment per month. Disputes regarding amounts contained in any invoice will be communicated to Contractor by EPS, in writing, within (10) business days of the receipt of the disputed invoice. Payments of disputed amounts will be delayed unless Contractor is able to resolve the matter to EPS satisfaction within ten (10) business days prior to payment due date. EPS will not be assessed any late payment penalties, fines or charges for disputed amounts not timely paid due to Contractor's failure to timely resolve the matter as set forth above.

4. SUPPLIES AND EQUIPMENT

(a) Supplies

Once EPS' current supply inventory is exhausted, the Contractor will assume responsibility for the procurement of any necessary cleaning supplies/materials and/or any necessary paper products/supplies. The Contractor shall procure the necessary supplies, material and/or equipment, in the amounts and quantities deemed appropriate by the Contractor to perform the Custodial Services and agreed to by EPS in writing. All "core supplies" (as defined in the RFP) shall be procured in accordance with the specifications set forth in the RFP, unless prior written approval is received from EPS. The Contractor shall submit to EPS a monthly report detailing all consumption of supplies (including type, quantity and cost) for each EPS Facility. Additionally, any and all procurements by Contractor must be in compliance with all applicable laws, rules, regulations, policies and procedures, including, but not limited to, compliance with MCL 380.1274 and applicable EPS's policy and procedures.

(b) Equipment

The Contractor may utilize EPS's existing inventory of equipment and small hand tools (the "Equipment") to perform the Custodial Services. Title to this Equipment shall remain with EPS. EPS and Contractor agree that the inventory of EPS-owned Equipment as of the Effective Date is set forth on **Exhibit C**. The Contractor shall be responsible for maintaining the Equipment, or repairing it if it is damaged, at its sole cost and expense. Contractor is responsible for purchasing of any new equipment. Title to this new equipment or hand tools shall remain with EPS, although the Contractor shall maintain and repair such newly purchased equipment or hand tools at its sole cost and expense. It is understood and agreed that the new equipment purchased shall not be used to replace Equipment that is damaged due to the fault of Contractor. The Inventory shall be updated upon purchase to reflect any new equipment purchased.

5. FINGERPRINTING AND CRIMINAL BACKGROUND CHECKS

The Contractor acknowledges and agrees that unless EPS notifies the Contractor that it is not subject to the provisions of Michigan Public Act 84 of 2006, as amended, the Contractor will have it, and any and all of its agents, employees or representatives who will be on any EPS premises to carry out the Custodial Services contemplated by the Contract Documents, fingerprinted and subjected to criminal history and background checks through the Michigan State Police and Federal Bureau of Investigation, as detailed in Public Act 84 of 2006, as amended, prior to commencing any work under this Contract by presenting themselves, or any of its agents, employees or representatives, for proper fingerprinting and criminal backgrounds checks, as directed by EPS, or provide written notification to EPS that Contractor or its employee(s) has previously completed fingerprinting and a criminal history and background check in connection with contracting or working for another school district, intermediate schools district, public school academy or nonpublic school (each and "Agency") and consents to the sharing or transferring of the appropriate fingerprinting and criminal history background report from the other Agency. If Contractor wishes to receive a copy of any report, it shall have the employee provide written consent to EPS acknowledging its consent to provide Contractor with a copy of the report. Additionally, unless notified it is not subject to Michigan Public Act 84 of 2006, as amended, the Contractor represents and warrants to EPS that it will at all times during the Initial Term or any Renewal Term of this contract be in compliance with the provisions of Michigan Public Act 84 of 2006, as amended, including, but limited to, reporting to EPS within three (3) business days of when it, or any of its agents, employees or representatives who will be on EPS premises to carry out the Custodial Services contemplated by the Contract Documents, is/are charged with a crime listed in Section 1535a(1) or 1539b(1) of the Revised School Code, being MCL 380.1535a(1) and 380.1539b(1), or a substantially similar law, and to immediately report to EPS if that person is subsequently convicted, plead guilty or plead no contest to that crime. The Contractor shall indemnify, defend and hold EPS, its employees, Board of Education, and each member thereof, agents and consultants, harmless from and against any and all claims, counter-claims, suits, debts, demands, actions, judgments, liens, liabilities, costs, expenses, including actual attorney's fees and actual expert witness fees, arising out of or in connection with any violation of, or the Contractor's failure to comply with, the requirements of Michigan Public Act 84 of 2006, as amended, or this paragraph. The Contractor shall be responsible for all costs and expenses associated with the above-required fingerprinting and background checks. The Contractor shall supply all necessary data and information, as requested by EPS, to enable EPS to properly submit Contractor and its employees and agents for inclusion in the State of Michigan Department of Education's list of "registered educational personnel."

6. IDEMNIFICATION

(a) General Indemnification

Contractor agrees to indemnify, defend and hold harmless EPS, its Board of Education, in their official and individual capacities, administrators, employees, agents, contractors, successors and assignees, from and against any and all costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of the: (i) negligent act or willful misconduct of the Contractor, its officers, directors, employees, successors, assignees, contractors and agents; (ii) any breach of the terms of this Contract by Contractor; (iii) any breach of any applicable Federal, State or local law, rule, regulation or ordinance; or (iv) any breach of any representation or warranty by Contractor under this Contract. The Contractor agrees to notify EPS by certified mail, return receipt requested, immediately upon actual knowledge of any claim, suit, action, or proceeding for which EPS may be entitled to indemnification under this Contract. This paragraph shall survive the expiration or earlier termination of this Contract.

(b) Environmental Indemnification

Throughout the Initial Term, or any Renewal Term of this Contract, Contractor shall not permit itself or any third party to use, generate, handle, store or dispose of any Hazardous Substances in, on, under, upon or affection any EPS property in violation of any applicable law or regulation. Without limiting any other provisions of the Contract Documents, Contractor shall indemnify, defend and hold harmless EPS, its Board of Education, in their official and individual capacities, administrators, employees, agents, contractors, successors and assignees, from and against all liabilities, claims, losses, costs and expenses (specifically including, without limitation, attorneys', engineers', consultants' and experts' fees, costs and expenses) arising from (i) any breach of any representation or warranty made in this paragraph and/or (ii) environmental conditions or noncompliance with any applicable law or regulation that result, in the case of Contractor, from operations or Custodial Services in or about EPS property by Contractor or its agents or employees. As used herein, the term "Hazardous Substance" shall mean (i) any hazardous or regulated substance as defined by all federal, state and local environmental laws, including, but not limited to, Federal Water Pollution Control Act (33 U.S.C. §§ 1251 et seq.) ("Clean Water Act"), the Resource Conservation & Recovery Act (42 U.S.C. §§ 6901 et seq.), ("RCRA"), Safe Drinking Water Act (42 U.S.C. §§ 300f-j- 26), Toxic Substances Control Act (15 U.S.C. §§ 2601 et seq.), Clean Air Act (42 U.S.C. §§ 7401 et seq.), the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. §§ 9301 et seq.) ("CERCLA"), the Emergency Planning and Community Right To Know Act, 42 U.S.C.

§§ 11001 et seq. ("EPCRA"), the Michigan Natural Resources and Environmental Protection Act (MCL § 324.101 et seq.) the administrative rules and regulations promulgates under such statutes, or any other similar federal, state or local law or administrative rule or regulation of similar effect, each as amended and as in effect and as adopted as of the date of execution of this Lease, (ii) any other pollutant, contaminant, hazardous substance, solid waste, hazardous material, radioactive substance, toxic substance, noxious substance, hazardous waste, particulate matter, airborne or otherwise, chemical waste, medical waste, crude oil or any fraction thereof, radioactive waste, petroleum or petroleum-derived substance or waste, asbestos, PCBs, radon gas, all forms of natural gas, or any hazardous or toxic constituent of any of the foregoing, whether such substance is in liquid, solid or gaseous form, or (iii) any such substance the release, discharge or spill of which requires activity to achieve compliance with applicable law. This paragraph shall survive the expiration or earlier termination of this Contract.

7. MEETINGS

The Supervisor/Project Manager for the Custodial Services, as designated by the Contractor pursuant to the Contract Documents, shall schedule monthly meetings with the Superintendent of Ecorse Public Schools to discuss the provision of the Custodial Services, or more frequently as requested by EPS.
