Dr. Josha L. Talison, Superintendent

November 16, 2020

Dear Ecorse Families:

Due to the rise in COVID 19 cases in the metropolitan area, the Ecorse Public Schools will cease to provide in-person instruction for all students after November 16, 2020. Virtual learning for all students will begin on November 17, 2020. Current in-person students will receive technology to assist them with the virtual learning process. Each student will be required to login to their teachers' Google Classroom daily and follow their class schedules. A login schedule from each building will be distributed to every student. **All teacher assigned work will be required to be completed for grading purposes by each student.** It is the goal of the district to resume in person(hybrid) instruction on January 4, 2021.

In addition, all district offices will be on a modified schedule beginning Tuesday, November 17, 2020. All school offices will be open Mondays, Tuesdays and Thursdays from 8:30am-1:30 pm. Please feel free to contact your child's school during these times for any technical assistance. The district will also continue to provide food services for all students. In district families can go to any school building on Mondays, Wednesdays and Fridays from 10:30 am until 12:30 pm to pick up food bundles. Out of district students' food will be delivered to them once a week. Our goal is to continue to ensure that the needs of all of our students are met.

As the district makes this transition to virtual learning, we want all families to know we are committed to serving you in all capacities. Please monitor our district's social media and website for continuous updates. Please continue to stay safe.

Sincerely,

Dr. Josha L. Talison, Superintendent
