Dr. Josha L. Talison, Superintendent

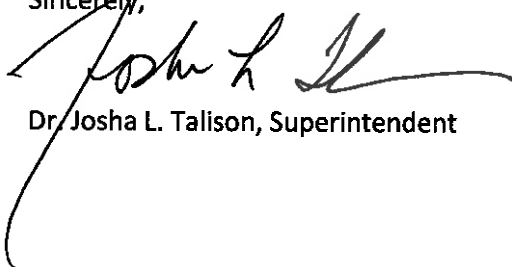

December 15, 2020

Dear Ecorse Families:

Based on the Wayne County Health Department's recommendation that all school districts in the county refrain from in-person instruction until January 15, 2021, the Ecorse Public Schools will remain in a virtual instructional environment until this date. The district will return to a hybrid instructional model (in-person and virtual learning) on Tuesday, January 19, 2021. On this date, students will return to the mode of instruction they were in before we began a total virtual learning model in November.

The Board of Education and I are dedicated to the safety and well-being of the district's staff and students. Please continue to monitor the district's social media platforms and our website for ongoing COVID instructional updates.

Sincerely,

Dr. Josha L. Talison, Superintendent
